IHSA Steroid Testing Policy Consent to Random Testing

(This section for high school students only) 2012-2013 school term

As a prerequisite to participation in IHSA athletic activities, we agree that I/our student will not use performance-enhancing substances as defined in the IHSA Performance-Enhancing Substance Testing Program Protocol. We have reviewed the policy and understand that I/our student may be asked to submit to testing for the presence of performance-enhancing substances in my/his/her body either during IHSA state series events or during the school day, and I/our student do/does hereby agree to submit to such testing and analysis by a certified laboratory. We further understand and agree that the results of the performance-enhancing substance testing may be provided to certain individuals in my/our student's high school as specified in the IHSA Performance-Enhancing Substance Testing Program Protocol which is available on the IHSA website at www.IHSA.org. We understand and agree that the results of the performance-enhancing substance testing will be held confidential to the extent required by law. We understand that failure to provide accurate and truthful information could subject me/our student to penalties as determined by IHSA.

A complete list of the current IHSA Banned Substance Classes can be accessed at http://www.ihsa.org/initiatives/sportsMedicine/files/IHSA banned substance classes.pdf
